2022 EDITORIAL CALENDAR

MONTHLY COLUMNS & DEPARTMENTS

Editor's Letter

Strictly Slots' editors tackle some of this month's gaming topics and address some of the latest news in the gaming industry.

Readers Talk Back

Readers from across the U.S. submit their questions for the *Strictly Slots'* experts to answer.

Upfront

Our coast-to-coast roundup of the hottest news in the gaming industry.

Scobe's Slant

Frank Scoble, America's #1 best-selling gaming author, provides his humorous take on the gaming experience—while giving expert analysis of the games we love to play, and the best strategies for winning and having fun along the way.

Video Poker Insider

Our veteran gaming writers address video poker strategy including the correct way to play your favorite machines, and the odds and mathematics that smart players want to know about. Thanks to the pros, our readers gain a clear picture of which games they should wager on—and how to maximize their trips to the casino.

Top 25: The Most Slots

Looking for great games and casinos with a HUGE variety? In every issue of 2022, we detail the hottest casinos with the best selection of slots.

Executive Decisions

Slot makers know what gets players excited. Top executives from some of the most innovative gaming companies share their expertise, offering an insider's look at what it takes to bring a hot new game to life.

Player's Club Spotlight

Each month, we profile a casino players club that is going the extra mile to attract new players and reward loyal customers. This promises to be one of our most popular departments in 2022, as casinos across the country are implementing bold new ideas—and technologies—to make their clubs and promotions more exciting and imaginative than ever. This is information players always want to know about.

Casino Club Spotlight

Our experts profile a leading casino from the perspective of a new player—what the property offers, why they're worth a visit, and how they surpass their local rivals.

Player's Edge

Gaming columnist John Grochowski provides expert commentary on casino games ranging from popular favorites to new arrivals.

Slot Spotlights

A showcase of the hottest slot games that are new on casino floors (or due to arrive soon). This information is useful to slot enthusiasts, as well as slot operations managers who are interested in acquiring the latest, hottest titles.

Promotion Picks

Our selections for the best promotions or special events for the month.

Coming Soon!

From planned properties to newly opened resorts, we detail the hottest new casinos and expansions from coast to coast.

Spinning Reels

Slot specialist and gaming expert Sean Chaffin take us on a tour of the latest news and trends in the sometimes quirky, always exciting world of slot machines and slot players.

Top Slots

Showcasing America's most popular slot games and where to find them.

Winners

Lucky players who have won jackpots in casinos nationwide.

Slot Payout Percentages

Tracking the casinos with the highest payouts.

Perfectly Frank

Frank Legato's highly popular, long-running op-ed column in which he muses on his life as a slot player, and shares observations and anecdotes about the games—and the industry—that our readers find hilarious, as well as informative.
