Thanks to the pros, our readers gain a clear picture of which games they should wager on—and how to maximize their trips to the casino.

Top 25: The Most Slots

Looking for great games and casinos with a HUGE variety? In every issue of 2024, we detail the hottest casinos with the best selection of slots.

Game Designer Spotlight

We shine a spotlight on the masterminds behind the slot machines that captivate us. In this department, we introduce you to the visionary game designers who bring our favorite slots to life. Discover their creative processes, innovation, and the sheer genius that goes into crafting the games we adore. Get ready to meet the minds responsible for the thrilling spins and big wins that keep us entertained at the casino and how they surpass their local rivals.

Executive Decisions

Slot makers know what gets players excited. Top executives from some of the most innovative gaming companies share their expertise, offering an insider's look at what it takes to bring a hot new game to life.

Players Club Spotlight

Each month, we profile a casino players club that is going the extra mile to attract new players and reward loyal customers. This promises to be one of our most popular departments in 2023, as casinos across the country are implementing bold new ideas—and technologies—to make their clubs and promotions more exciting and imaginative than ever. This is information players always want to know about.

Slot Spotlight

A showcase of the hottest slot games that are new on casino floors (or due to arrive soon). This information is useful to slot enthusiasts, as well as slot operations managers who are interested in acquiring the latest, hottest titles.
